

We believe that with the right support every person can achieve their potential.

SJOG believes that every person has intrinsic worth and inherent dignity, and that with the right support each and every person can achieve their potential.

We don't have one standard approach but creatively provide help and support to people in the way they want.

We continue to be inspired by the story of our founder, Saint John of God, who left us a legacy of providing value-based service to those most in need.

Residential Care

At Lindisfarne Court in Darlington we provide 24-hour care and support to adults with physical disabilities. We aim to ensure that this is not just a place to live, but is a home, and the people living here are encouraged and enabled to make their own choices and decisions in as many aspects of their lives as possible.

The design and delivery of the support is developed on an individually assessed basis with each person and their families.

## Personalised Support

The needs of the person using the service are paramount in the design and delivery of the support, which is developed on an individually assessed basis with each person and their families. People who use this service maintain regular contact with social services, and access doctors, chiropodists, opticians and dentists on an individual basis. Strong community links are developed and access to community resources is encouraged.

## Accommodation

The three adjoining bungalows, which opened in 1992, are purpose-built and well designed to meet the needs of the residents. All bedrooms are single occupancy, two of which are en-suite. All bedrooms have television points. There is a large, airy conservatory and comfortable, well-furnished lounge, snoezelen/relaxation area, kitchen and dining rooms.
